

Fill in the multiplication chart

Write every answer you know without looking. The blanks you leave are the facts to practice.

Name _____ Date _____ Time _____

×	1	2	3	4	5	6	7	8	9	10	11	12
1	1	2	3	4	5	6	7	8	9	10	11	12
2	2									20		
3	3									30		
4	4									40		
5	5									50		
6	6									60		
7	7									70		
8	8									80		
9	9									90		
10	10	20	30	40	50	60	70	80	90	100	110	120
11	11									110		
12	12									120		

☒ Given: the 1s and 10s ☐ Write from memory. Try again in a week and compare.

There's a better way to learn.

TabTabTab takes less than 5 minutes a day:

you say each answer out loud, the app listens and customizes your training.
